PARTNER PROGRAM

Sharpen your competitive edge

Add value to your clients

Boost your bottom line

Partner with the industry leaders

Referral Partner (Refer and Earn)

Should you be a provider of support services you will know that many of your clients are struggling with their B-BBEE Compliance. You may not however have the knowledge, tools or capacity to assist them.

As an Authorised BEE123 Reseller you can offer and sell the BEE123 Management Solution to your clients.

This will ensure:

- An additional revenue stream to your business.
- Value add to your clients via facilitating the BEE123 Management System for them.

Simply facilitate an introduction, we will do the rest.

Advisory Partner (B-BBEE Consultants)

Established B-BBEE Consultants can apply to become a BEE123 Advisory Partner.

Once your clients have signed up to the BEE123 Software System, you will conduct the advisory, implementation and support component of the Solution.

This will ensure:

- Additional revenue stream to your business.
- Value add to your clients by adding the BEE123 Scorecard Software as part of your existing consulting solution.
- Collaboration with Sage BEE123 as a partner.

Compliment your existing service offering through the introduction of BEE123 Software.

Background

BEE Compliance has become a non-negotiable component of doing business in South Africa. It is a reality for all your clients, yet it is very complex, time consuming and expensive to implement. BEE123 produces the solution.

Our BEE123 Partner Program is designed to provide additional revenue streams for our channel partners. We're here to help you grow your bottom line by enhancing your existing products and services offering with our market leading B-BBEE Software Solution that meets your customers' needs.

BEE123

BEE123 is SA's leading B-BBEE software developer and advisory business. The BEE123 B-BBEE Management System provides a revolutionary and cutting-edge solution to B-BBEE

compliance, ensuring that B-BBEE is easy to understand, plan, assess and implement.

We offer a complete range of tools, software, directories, information, training interventions and B-BBEE advisory services.

Our client base is diverse and spans the full range of corporate South Africa from multinationals, JSE listed entities to family- owned businesses.

our market leading turnkey solution includes:

- B-BBEE Scorecard Software.
- Advanced Supplier Manager Module.
- Implementation, Training and Support.
- Advisory, consulting and Strategy Sessions
- Add-on Modules.

BEE123 is proud to be a 65% Black-Owned Level 2 B-BBEE contributor.
